

Altair® HyperMesh®

Introduction to New Interface and Technology

Are you looking to update to the new HyperMesh user experience and wondering how to get started?

Do you want to leverage AI integration to accelerate your model-building process and variant assessment?

Join us in one of these recurring sessions to:

- Learn about modern user interaction concepts.
- Uncover your existing methods and tools.
- See new CAE and AI solutions in action.
- Access a wealth of training materials.
- And...
- Stay a Pro!
